Classroom Teacher

November 2004 to May 2010

North Idaho College Children's Center

Planned and implemented a developmentally appropriate emergent curriculum based on the Reggio Emilia philosophy. Worked with a co-lead teacher, assistants, practicum students, and volunteers. Maintained documentation for children's files. Collaborated with parents of various backgrounds, education levels, and financial status.

Interim Director

August 2009 to October 2009

North Idaho College Children's Center

Directed and supervised a staff of 20 teachers and teacher assistants in and NAEYC Accredited childcare center and college lab school. Responsible for overall operations, hiring, staffing, billing and professional development of teacher. Maintained NAEYC standards and all health and safety standards.

Infant/Toddler Component Coordinator

August 2006 to May 2007

North Idaho College Children's Center

Provided leadership for the infant/toddler component of the Children's Center. Worked closely with the center director to implement staff development, communication, and relations. Assisted in curriculum and environment challenges in each classroom. Sat on the interview committees for new teaching positions and evaluating applicants' qualifications.

Research Assistant

May 2003 to July 2004

About Feeding Children Grant Project(P.I. Dr. Janice Fletcher and Dr. Laurel Branen)

University of Idaho

Co-authored the Building Mealtime Environment and Relationships Rating Scale, a tool to assess the quality of mealtimes in childcare settings. Assisted in research on the factors that influence childcare providers' feeding practices. Assisted in literature review, and data transcription, coding, reduction, and analysis.

Teaching Assistant

August 2001 to May 2003

University of Idaho

Supervised senior undergraduate students majoring in child development/family relations and early childhood development and education in preschool practicum courses. Met with individual students to complete coursework and evaluate materials. Supervised and assisted in evaluation of activities of undergraduate curriculum students and observation students.

Lead Teacher

August 2001 to May 2003

Child Development Laboratory

University of Idaho

Served at lead preschool teacher in a classroom of three, four, and five-year-old children. Coordinated and managed assessment, planning and implementing curriculum, and evaluation of activities for children in the Child Development Laboratory. Maintained a file for each child consisting of work samples, observations, assessments, and developmental summaries. Took responsibility for parent communication through home visits, phone calls, written communications, and parent conferences.

Non-Academic Employment:**IdahoSTARS Mentor/Trainer**

2009-2010

Couer d'Alene, Idaho

Mentored early childhood professionals and provided IdahoSTARS- approved early childhood trainings.

Lead Teacher

June 2000 to July 2001

Bright Horizons Family Solutions

The Learning Garden, Issaquah, WA

Planned and implemented a developmentally appropriate program for two and three-year-old children. Worked with families of diverse backgrounds. Conducted parent conferences and wrote development summaries for each child. Worked with a co-lead teacher and supervised an assistant teacher.
