

MOSS FOOD SERVICES

The cozy main lodge, complete with a beamed ceiling, stone fireplace, and a view of the lake, seats up to 50 students for meals. Home-cooked meals are served buffet style with a diverse fruit and yogurt bar for breakfast and a salad bar for dinner. Students prepare their own sack lunch each day to take along during their field studies.

Our professional food service staff provides healthy, nutritious meals for residential program participants and cabin camping guests that:

1. are high in protein with vegetarian options.
2. include plenty of fresh fruits and vegetables.
3. are locally sourced whenever possible, with minimal packaging.
4. minimize sugars and trans fats.
5. have been nut- and peanut-free since 2017!

We can accommodate those with food allergies given advance notice. Please contact Betsy Booth, Food Service Manager to coordinate special accommodations, bbooth@uidaho.edu, 208-885-1082.
