

Scrapbooking III

Senior Project Requirements:

1. Complete a minimum of 20 scrapbook pages or theme book with 20 pages. (If the layout involves two pages, it counts as two pages.) Use at least ten different techniques, use four different techniques than the ones you used in years I & II. (Examples referenced on pages 20-23) List what these techniques are on the page supplied.
2. Learn to create something beyond simple layouts by adding accents, dimension and textures to your layouts. Include a minimum of 2 pages, included in the 20 pages, demonstrating this (examples referenced on pg. 20-23). List what these techniques are on the page supplied.
3. Give a demonstration or illustrated talk or presentation to a group instructing them on a scrapbooking layout.
4. Complete ZSuites Record Book

Exhibit:

1. ZSuites Record Book
2. Twenty scrapbook pages completed this year in a binder.
