

Wes Russell - Tech Solutions Partner III

3 June 2024

Wes, while always an awesome and helpful TSP, quickly and compassionately responded to my cry for help when an important document just disappeared from the shared drive. Wes calmly walked me through the steps I needed to take on my end, and, when those didn't work, he was able to quickly restore the document. While I was panicking, he was cool and focused.

Scott Fleischman - Building Operations Manager

11 June 2024

Scott is an exceptional building manager, and I deeply appreciate his dedication and effort in consistently delivering outstanding work. He always approaches tasks with a smile and a kind word, making him a joy to work with. Despite his busy schedule, he remains hardworking and always finds time to answer our team's questions. Even when faced with a heavy workload, he handles it with remarkable ease. Thank you, Scott, for your unwavering support and willingness to help.

Cretia Bunney - Director of Payroll Services

20 June 2024

They promptly assisted with a complicated and tedious request for salary information for a large amount of employees and I am very grateful!

Delora Shoop - Accounting Director

20 June 2024

They assisted with a complicated request for employee tuition information regarding nearly 100 separate employees in a very timely manner and was a pleasure to work with!
